8th Monthly Monday Magic Mile, 20 April 2015

Thanks to Cairns Regional Council who have supplied us with permission to run the Mile on the Esplanade! No stopping for the Emergency Helicopter this month, and two course records broken tonight with Phil Bradshaw coming in at 4:38 and Clare Zappala in 6:01. Welcome to the new-comers and special mention goes to little Evan Bradshaw finishing the race with cheers all round.

Only Lorraine Lawson helping out at the finish tonight, so it was a bit hectic until Peter Bradshaw stepped in after his race to help hand out tokens – thanks! Thanks also to Steve Betesta who did the start and Luke Rumler picking up the sweep job for the evening.

7th Monthly Monday Magic Mile, 16 February 2015

No course records were broken today, but we had 9 first timers and 8 personal bests tonight, including Gary Rumler, who improved his time by 21 seconds.

Thank you to our helpers Leith Wallace, Colleen Harisson, Peter Wallace and Kim Holmes. Wendy reluctantly handed her trophy over to Clare Zappala. And poor Jarrod had to go home empty handed for a second month in a row as I forgot to chase down the male trophy. It was good to see a couple of kids at the race too, and it's worth coming just to try and beat them. Aoife was able to hold on to the girls' trophy again this month, but new comer Sena was only ONE second behind her. Great race!

6th Monthly Monday Magic Mile, 19 January 2015

Thanks you to our helpers Leith Wallace, Jan Jones, Peter Wallace, Larry Lawson and Lorraine Lawson. And thanks to Nadia Mead who brought a bunch of bananas for everyone to share! It's great to have our course record holder, Jarrod Ausburn back - he won the race in 5 minutes 33 seconds, but not to take anything away from Brett O'Brien (2nd) who is going from strength to strength each month and set a new PB at 7.03. Well done, Wendy Mackay, our first lady home. Copious photographs and Wendy assures us that she will be flaunting her trophy at work tomorrow.

5th Monthly Monday Magic Mile, 15 December 2014

Thank you to our helpers Mandy Canfield on timekeeping, Colleen Harisson on recording, Lorraine Lawson on tokens and Debra Lawson as our sweep. Head wind made it a tough run for the competitors again tonight, but it was great to have a few new people join us. Well done, David Valkhoff on coming in first, you'll have to come back to give Jarrod Ausburn a run for his money next month and we'll flip the race direction so you can run WITH the wind. Welcome along to all the new runners and we hope to see you all back for next month's mile. Well done, Debra Lawson on improving your time by 52 seconds!

Jarrold handing over the male winner trophy to Matt Betsta, the winner of the 4th Monthly Monday Magic Mile.

Thanks to Kady Canfield, Steve Betesta and Lorraine Lawson for helping out at the Magic Mile tonight.

Times were slower for most runners, with a headwind heading north up the Esplanade tonight. Well done to Matt Betesta, visitor and speedster who managed to beat our course record holder, Jarrod Ausburn. And Matt got his hands on the trophy, although he had to hand it back as he is heading home to New Zealand this week. Mandy Canfield was one of only two runners who managed to improve her PB (Lynda Etherington being the other), well done #1 lady for the night.

It was great to see so many runners return to have another go at the mile this month. And a few newbies too. See you all again in December.

2nd Monthly Monday Magic Mile, 15/9/2014

Check your time as our timekeeper pressed the wrong button at the start. If you have your time, email it through to me and I'll update the results. And if I didn't forget the scanner, recording after the race would have been a bit smoother too. Sorry! Thanks to our helpers tonight – Rob Martin, Peter English, Marnie Carisson, Bec Ahola and Wendy Mackay.

Trophies were awarded to Jarrod Ausburn – 1st male; Colleen Harrison – 1st female; Luke Rumler – 1st junior male and Aoife Puri – 1st junior female. You'll have to come back for the **next race on 20 October**, as the trophies need to come back to be handed over to the next winner. Jarrod, Luke and Aoife were the winners last month as well, so enjoy your trophies. Colleen edged out Juanita Sellwood who was not around to defend her title.

If you didn't register online (with the exception of the beginners), your name is not recorded in the results below. Sorry, I'm not typing up people's names in after each race. You have to register online prior to the race to get your name on the results. For this month, I'll leave registration open until Friday (<https://regonline.activeglobal.com/4Msept>), so you can go and register and I'll update the results.

Beginners who have not signed on are not recorded either, so you need to fix up your registration as a Dynamic Running member and BRC participant so I have your name recorded!

If you are struggling to register more than one person, it's probably because you are trying to use the same email for multiple runners. The system doesn't like this. Create individual emails to use for each family member, or try to click on the 'start a new registration' (I'm not sure if this works for surveys – which is the form we use for these registrations).
