

Dynamic Running Paws on the Path Fun Run/Walk, 10 March 2019

The 50-odd participants and volunteers at the fun run/walk this morning all came along to support the fundraising event for YAPS, the Young Animal Protection Society. Congratulations to the 10km runners who set off on a timed event, but most of us were happy to just take our dog for a walk. Nadine Slatcher came in first, despite doing an extra kilometre! Angela Lyons was a close second. Stevie Johnston cut the course short a bit, so picked up a time penalty, which meant Sue Fry came in 3rd, and Stevie 4th. Good work, Ladies. Clifford Jones was our only male in the 10km today. Great job!

Other distances on offer were 3km and 5km. We didn't have as many runners go off track as back in 2017, thanks to the meticulous course setting by Lorraine Lawson and Leith Wallace the evening prior to the run.

\$113 was donated by Dynamic Running and \$187 was collected from participants. The \$300 was donated to YAPS.

All the doggies got a prize out of the lucky dip bag, while the people had some fruit and ice lollies.

A big thank you to all our volunteers:

Course set up - Lorraine Lawson and Leith Wallace (Saturday afternoon)

Finish line - Judy and Shaun O'Donahoo, and

Marshals - Glen (and Jack) Longmore, Liudmyla Nechepurenko and Soraya Shah.

Catering & doggies toy distribution: YAPS helpers, Nikki Bishop and June Peach.
