

Dear _____

Dynamic in a Dress update

As you are no doubt aware, Queensland has entered the easing of COVID-19 restrictions. The restrictions were outlined in the Queensland Roadmap (<https://www.covid19.qld.gov.au/government-actions/roadmap-to-easing-queenslands-restrictions>). The resumption of organised sporting activity kicks in at Stage 2 on 12 June 2020. However, this will depend on how we fair for Stage 1.

Here at Dynamic Running, we have worked hard towards ensuring we can provide our entrants the best service possible. We have separated the Dynamic in a Dress Running Festival races and will do the half marathon on Sunday morning and the 10km/5km/3km races on Saturday afternoon.

We have also changed the Festival into a series that will run over three weekends. See dates below. As a registered competitor, your entry has been moved to Race 2. You can change that, if you like, just let us know via email info@dynamicrunning.com.au. If you are keen to participate on the other two weekends, you will need to register and pay for those races. Links and fees are provided on our website.

There are various changes with regards to how the races will operate to accommodate social distancing and other COVID-19 safety requirements. This is outlined on our Dynamic in a Dress page on our website. (<http://www.dynamicrunning.com.au/dynamic-in-a-dress-festival/>)

You were offered a full refund back in March. Check your junk folder if you do not recall receiving an email. This offer expires early next week. We will return to our 'normal' cancellation policy on 3 June 2020. It requires you to request a refund one month prior to race day. A 10% admin fee applies to these cancellations. There are no refunds if you cancel in the month prior to the race.

We look forward to seeing you on Race Day.
