Race report

A fabulous turn-out of 113 runners on a steamy new year's morning! We had a huge contingent of keen young 3k runners who returned almost as quickly as they left ... and then set off for a training run as the short blast was evidently not enough. Our 3k event was also a first for new runner Cris Green, adding scope to the female 60+ field – well done, Cris!

The 5k event drew a number of on-the-day registrations, including the return-to-Cairns of long-distance triathlete Caroline Hardy and a very near first place time for the men in Glen Garner and women, Angel Hayes. Our volunteers were kept continuously busy with competitors finishing fast and close!

The 10k attracted the largest field with Leo Schloepflin blasting through as the first male and followed at a hot pace by Tracy Marcel as first female (both in the 30-39 age group). Congratulations to all the age group place getters (you should all have received your ribbons before leaving) and the series winners! Remember you have to run in both races of the series to take out a place.

And a warm welcome to all new runners – we'd love to see you again – the next series is starting soon.

A huge thanks to our team of volunteers who make the event happen – registration and finish line, marshals, course set up, refreshments – without you there isn't a race!
