Thank you and well done to the 69 runners who braved the rain this morning to participate in the first of our 2018 Clifton Beach Series races. Twenty people who registered didn't front today! PLEASE let us know if you can't make it, it really helps our volunteers to have things organised for the rest of the competitors.

Congratulations to Danielle O'Brien who set a new course record for the ladies today! 43minutes 40 seconds. All 10km runners progress to the series final. You need to compete both races (21 January and 11 February) to qualify for the perpetual trophy. All competitors and runners today are already registered for the 11 February race, you don't have to register again. However, if you can't make it, please let us know.

Congratulations also to David von Senden who receives the ANQ Out of Stadia trophy for his amazing achievements throughout 2017.

The next Dynamic Running race is our first trail race for the year, the Smithfield Trail Race on 3 February. We also have Runners' Clinics that start on Wednesday, 24 January at Goomboora Park and Monday, 29 January in Atherton. The next Clifton Beach Series is on Sunday, 11 February 2018. Register via our website or facebook events page.
