Race 2 of the Summer Trail Series

Race director: Lorraine Lawson

It was great to see we could keep this race on the calendar again this year. One week out from the race we only had 3 entries, so it was touch and go as to whether the race was going to go ahead. Numbers were down from last year with 18 competitor compared to 39 in 2017.

This event was held around the Mt Baldy-Mt Yabi Walking Circuit and one lap was approximately 7km. The competitors had a choice as to how many laps to do, and one brave sole did three laps (taking out the win), followed by seven others doing two laps (this was up from last year when we only had three competitors attempting two laps, and none doing three). Well done to everyone, as one lap alone is a challenge! The results are listed below.

A big thank you to **Jeanette Gegg-Lynch** who was our time-keeper/caterer/cheerleader for the morning. Jeanette and Todd Rutherford helped to bring the signs in from the course and we also had a few spectators cheering the runners on over the line, including Trevor Batty, Eric Atkins, the White boys and Darryl Wilkinson.

The winners took out some prize money and after the run, everyone was invited for a coffee at the Railway Café, Dynamic Running's shout.

Dynamic Running's next event is the Clifton Beach Race on 11 November. The next race in the Summer Trail Series is the Black Mountain Trail Race on 25 November, with a training run over the course on the 18th of November.
