Atherton Forest Trail Race, 3 November 2019
Race 2 of the Summer Trail Series

Race director: Lorraine Lawson

This event was held around the Mt Baldy-Mt Yabi Walking Circuit and one lap was approximately 7km. The competitors had a choice as to how many laps to do, and this year two brave soles did three laps, followed by five others doing two laps. Well done to everyone, as one lap alone is a challenge! The results are listed below.

Due to a lack of volunteers, everyone was responsible of recording their own times as they completed each lap! Sharon and Lorraine set out the signs and brought them back in.

Dynamic Running's next event is the Clifton Beach Race on 10 November. The next race in the Summer Trail Series is the Black Mountain Trail Race on 24 November, with a training run over the course on the 17th of November.
