Run Report by Poppy Mackenzie

On Saturday the 10th of October a total of 35 participants attended Dynamic Running's Run for Ollee event which began at approximately 7:00am.

We were lucky to see clear blue skies for the whole of the race, and the temperature was perfect. A total of 44 participants had signed up for the event, which includes the 9 virtual participants who were unable to run on the day but will complete their race another time or have already completed their race.

The event concluded in under an hour, taking 53 minutes for all participants to reach the finish line. Participants ran one of three distances: 2km, 3km or 5km. The first place participant for the 2km run was Gloria Hossen, for the 3km run was Sue Fry and for the 5km run was Gary Williams who completed the course in just 22 minutes 40 seconds. The total amount of money raised was \$600, which was donated to the Golden Octopus Foundation by Dynamic Running on behalf of the race's organisers Stella Quarroz, Doaa Babiker, Serah Hossen and Poppy Mackenzie.

Overall the race was a huge success and we want to say thank you to all the participants, thank you to Lorraine Lawson for all of her support for our event, and thank you to Qimeng Zhang for volunteering for timekeeping!
