

2020 Virtual 3M3D participants

The following competitors completed their 3M3D grand slam, Cairns Marathon or Lake Morris Road Race as virtual events in 2020. No times are recorded, but for any of the runners who return to complete a 3M3D Grand Slam with us in the future, will receive credit for their 2020 race then.

A big congratulations to the following competitors who receive their permanent bib numbers this year. Their times for their 5th race will be added to the Honour Board once they complete their next 3M3D – as they will be allocated the same time for both races.
